

ANTHONY DIMARCO

My name is Anthony Di Marco and I am extremely proud, thankful and excited to be appointed the Bantam A coach for the 2020-2021 hockey season.

Throughout my entire life hockey has always been part of it, my favorite part besides playing is coaching. Being part of a team, giving back to the community and watching the players grow both on and off the ice is something you can't put a price on.

For the past seven seasons I have been part of coaching at various levels and most recently have supported the following teams;

2019-2020 – Durham West Bantam BB Assistant Coach

2018-2019 – Pickering Panthers Atom A Head Coach

2017-2018 – Pickering Panthers Minor Atom AE Assistant Coach / Durham West Peewee B Assistant Coach

2016-2017 – Durham West Atom BB Assistant Coach

My coaching philosophy is that everything begins with strong skating. This allows players the confidence to play the game and feel that they can contribute at a high level.

The team game needs to be focused on building an environment where hard work and positive attitudes are rewarded and promoted. Team play also consists of moving the puck and working together to achieve a common goal. If we focus on building the kids into better players and teammates success will follow.

Here is a high-level review of our program for next season;

- 1-2 Spring tournaments
- 2-3 day training camp towards the end of summer
- 22 league games
- 2-3 practices each week
- External development – (Possibly 3 Zones, Power Edge Pro or Pro Bound)
- Dryland training 1-2 hours each week (we will coordinate the same nights as practice)
- 4-5 tournament (1-2 will be away tournaments)

I look forward to working with our Assistant Coach Angela Cammisuli and the team on a very successful season!

If you have any questions and interest in playing for our team please contact me at 416-579-6022 or via email at anthonydimarco4@gmail.com.

Sincerely, Anthony Di Marco
