

Entering Playoff Rounds & Games

1. Click on your Scheduling Module.

2. Click on the 'Add New' menu at the top right and select Playoff Round.

3. Enter the Start & End Date of the round, give it a name in the Title field (e.g. Playoffs Round #1) and select the opponent from the drop down menu. If you don't yet know the opponent, you can leave it to Not Set and return to edit it later.
4. You can edit the round details by double-clicking on the event within your schedule
